Standard copay plans cover more than 400 procedures; this chart provides a representative list of plans and benefits. Descriptions of procedures have been edited for ease of use in this document; the Plan's Schedule of Benefits will show complete ADA-approved descriptions. Specialty dental care is covered at the listed co-payment.

In addition to the procedures noted in the Coverage highlights, these plans also provide benefits for:

- Additional exams, prophylactic treatment (cleanings) for adults and children
- Limited and comprehensive orthodontic services.

Please refer to the Plan's Schedule of Benefits and Evidence of Coverage and Disclosure Statement for a more detailed list of covered services, limitations, and exclusions.
